

# HOWINU WHITEPAPER

2024-01-05

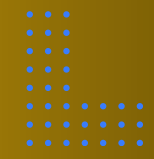

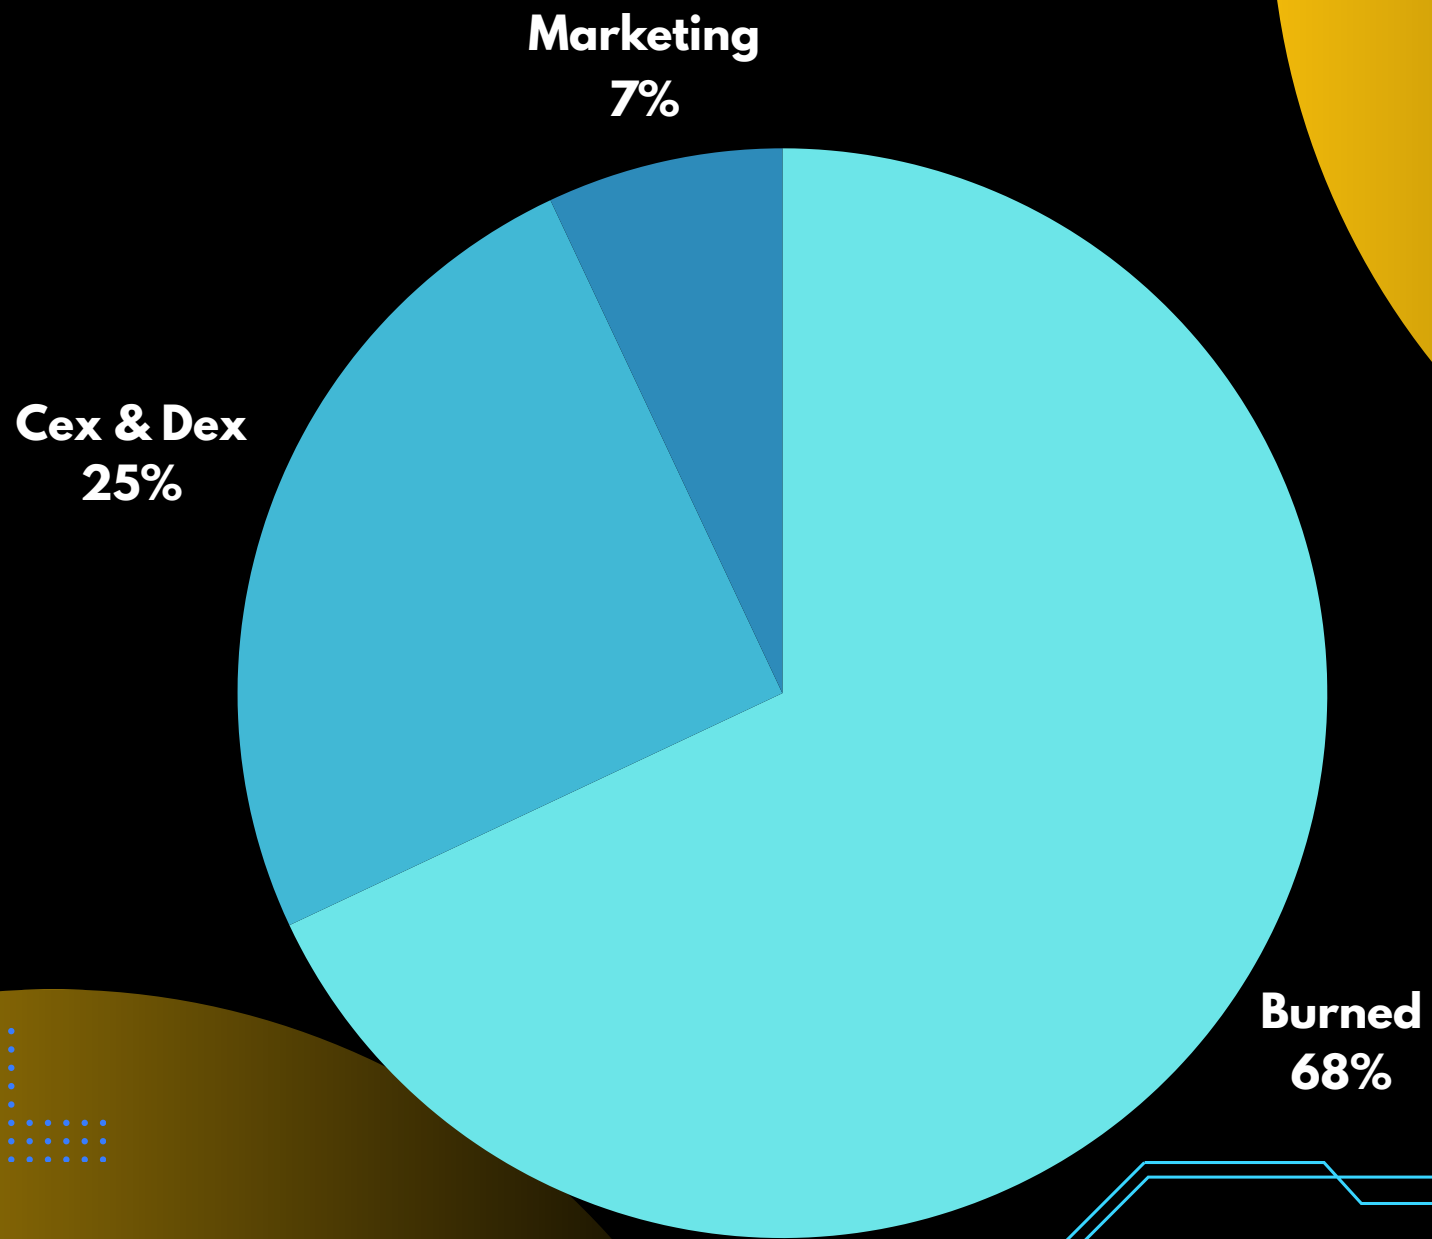

**HowInu is a Meme Cryptocurrency running on the BNB Smart Chain Network created by Pasindu Shenal based on fictional dog.**

**The HowInu Crypto project aims to play a role in advancing the crypto industry beyond the functionality of a normal meme cryptocurrency.**

**Ultimately, the project aims to remain stable in the Crypto market for a long time and become a popular Meme Cryptocurrency in the world along with the growth of the Crypto market.**
